AT QUEEN'S PARK

Your day at Queen's Park

Your wedding day should reflect your style—relaxed, joyful, and filled with the things that matter most. At Queen's Park Golf Course, we provide a welcoming space where you can celebrate your way.

Whether it's an intimate gathering with family or an evening of music and dancing, our team will make sure every detail comes together seamlessly.

IT'S ABOUT YOU

*Your wedding, your way. Choose flexible timings for **daytime** or **evening** receptions, add personal touches, and enjoy exclusive use of our private function space. From first viewing to the last dance, we're here to make planning simple and your celebration unforgettable.*

A lush, green setting

Queen's Park is one of Bournemouth's most beautiful green spaces, with sweeping fairways, mature trees, and a tranquil pond that makes a stunning backdrop for photographs. The golf course dates back to 1905, giving the park a sense of heritage alongside its natural charm.

Just minutes from the town centre, we're easy to reach by car, bus, or taxi, and we have plenty of free parking for your guests.

WHY COUPLES LOVE OUR LOCATION

Queen's Park combines natural beauty with convenience - close to Bournemouth yet surrounded by greenery.

The parkland setting offers endless photo opportunities, from tree-lined paths to the water's edge.

The **Woodpecker** Room and Bar

Your reception will be held in our private function room, complete with its own bar and a balcony overlooking the course.

The space is intimate yet versatile, set for your wedding breakfast before our team transforms it for an evening of dancing with your chosen band or DJ.

Add your own finishing touches with linen, chair bows, flowers, or drapery to create the perfect atmosphere.

Your wedding **essentials**

Deposit & Payment

To secure your date, we ask for the room hire upfront (£600 full day & night or £400 evening only). This payment is non-refundable. Your final guest numbers and remaining balance are due one month before your wedding; pay by card over the phone or pop in to pay with cash or card.

Parking

We have a large, free car park on site. Guests are welcome to leave cars overnight and collect them the next day.

Support on the Day

Your celebration will be overseen by our Functions Manager and supported by our team. We'll be there from start to finish to make sure everything runs smoothly.

Equipment & Extras

We have a projector screen available—just bring your own projector and HDMI cable. Six highchairs are available; let us know where to place them on your seating plan.

Pets

We're dog-friendly! Please keep your four-legged friend on a lead and nominate someone to look after them during the day.

Decorations

You can deliver decorations the day before and collect them within two working days after your wedding. Please box and label items by table to make setup easy. Cards, gifts, and any remaining cake should be collected at the end of the night.

Confetti & Fireworks

For safety, we can't allow fireworks, lanterns, or confetti. Sparklers and bubbles are welcome—just bring buckets of sand for safe disposal. We also allow real petals used as confetti in our outdoor spaces.

About the team

We'll help with timelines, suppliers, and the little details. With years of wedding and hospitality experience, you'll find friendly faces who'll be with you from first enquiry to the big day.
