

'Let's get Quizical' Queen's Park Trail

Walk suitable for 6 years of age and below:

Start at the main building and cafe:

1) What type of bird lives at the cafe?

Look across at the play area:

2) What type of insect lives at the fort?

Walk in front of the pavilion and behind the children's play area to find the RED PATH with the number 33 and follow it:

3) What does the first sign you come to tell you to do?

4) What type of tree is the path named after?

5) How many butterflies can you find on the wooden sculpture?

Turn right at the end of the path and follow the RED PATH with the number 6:

6) What does the sign tell you to look out for?

Follow the signs for the BLUE PATH and continue along it:

7) What insect on the wooden sculpture can you also find at the fort?

8) What colour arrow would take you back in the direction you came from?

Continue along BLUE PATH with the number 31, turn right at the tree in the middle of the path:

9) What animals are sitting here and how many are there?

Longer Walk suitable for 6 years of age and above:

Start at the main building:

1) What type of bird lives at the cafe?

Look across at the play area:

2) What type of insect lives at the fort?

Walk in front of the pavilion and behind the children's play area to find the PATH marked with a post with the number 33 (RED PATH) and follow it:

3) What does the first sign you come to tell you to do?

4) What type of tree is the path named after?

5) How many butterflies can you find on the wooden sculpture?

Turn right at the end of the path and follow RED PATH and post No 6:

6) What does the sign tell you to look out for?

Follow the signs for the BLUE PATH and continue along it:

7) What insect on the wooden sculpture can you also find at the fort?

8) What colour arrow would take you back in the direction you came from?

Continue along the BLUE PATH through the woods. When you come to the end of this path, turn left. You will see a wooden post and a hut for sheltering directly in front of you.

9) What does the writing on the side of the post tell you to do?

Walk across the open space towards a gravel path in front of you going down hill. At the beginning of the gravel path you will see another wooden post:

10) What does the writing on the side of the post facing you tell you to do?

Continue down the gravel path and turn left at the end. Follow the path towards the pond, passed the wood storage area on the right.

11) What does the danger sign tell you on the fence to the compound on your right?

Continue to walk towards the pond. You will see a wooden sculpture on your left:

12) What type of insect is shown on the carving?

13) How many different types of bird can you see on the pond?

Walk around the pond towards the information board in front of the pond. Look at the 'History of Queen's Park' information board and answer the following questions:

14) How many cottagers lived along the banks of the River Stour?

15) When was the golf course opened?

16) When was the original golf pavilion clubhouse demolished?

At the information board continue up the hill passed the benches beside the pond on your left. Half way up the hill, opposite the post with the red and white square, turn left and follow the path through the woods. At the end of the path you will see a wooden sculpture:

17) What is the bird in the sculpture?

Continue to walk passed the sculpture. Look to your left to check for golfers taking shots, and when safe to do so, walk directly ahead to the gravel path where you have just come from. At the top of this path you will see an information post.

18) What does the post tell you to do?

Continue directly ahead and turn right at the post with the arrows. Just before the woods, look to your left at a white sign with information for golfers:

19) How long is the 18th hole?

Continue through the woods and follow the BLUE PATH, turn left back towards the pavilion. Walk passed the fox sculpture:
