

Great Golf. Great Value. Great Day!

## **NEWS RELEASE**

OCTOBER 2019

WRITTEN BY: NATALIE TYE

### **HEAD GREENKEEPER OUTLINES WINTER WORKS**

Dave, our Head Greenkeeper, outlines his plans over the winter

The combination of heat and lack of rainfall earlier in the year has stressed most fairways. I'm pleased with the recovery on the greens, following recent works, and we will start drill seeding some of the fairways over the coming weeks with a drought-tolerant Fescue mix (of three different types of seeds). This will lead to much better fairways as we head towards the summer.

We've made recent improvements to the 13th, 17th, and 18th bunkers, and we are installing new winter mats on the 1st (new winter tee area), 3rd and 5th tees.

Thank you to Rod Thomson for volunteering, we appreciate your continued support, Rod. If you're interested in helping out on the course, please talk to us in the golf shop.

We are pruning the trees around the course, and there are some works planned, to re-profile part of the 14th fairway.

### **Ladies' changing rooms**

The changing rooms will be decorated in early November, to freshen them up.
